

JOINT EFFORT REVIEW TEAM MEMBER BIOS

Alyson Tom, Santa Cruz County

Alternate: David Sims

Bridget Hoover, Monterey Bay National Marine Sanctuary

Water Quality Protection Program Director, Monterey Bay National Marine Sanctuary
Bridget is Director of the Water Quality Protection Program for the Monterey Bay National Marine Sanctuary. In that capacity, she and her staff, work collaboratively with the Regional Water Quality Control Board, local municipalities, the agricultural industry and other organizations, to seek solutions to minimize pollutants in surface waters that ultimately may impact the Monterey Bay National Marine Sanctuary.

Alternate: Ross Clark, Moss Landing Marine Labs

Cathleen Garnand, P.E.,

Santa Barbara County

Cathleen is a Civil Engineering Associate with the County Public Works Department. She is responsible for reviewing/approving new and redevelopment projects for storm water quality treatment measures and she provides in-house training to planners and other staff in LID.

Alternate: Joy Hufschmid

Dan Cloak, Dan Cloak Consulting

Dennis Shallenberger, P.E., G.E.

Earth Systems Pacific

Dennis is a Registered Geotechnical Engineer and Chief Geotechnical Engineer of Earth Systems Pacific. He brings a geotechnical engineering perspective to the Joint Effort Review Team, with the objective of assisting the team in assessment of geotechnical and other related engineering impacts that could be associated with various hydromodification practices.

Alternate: Fred Potthast, G.E.

Mark Grey, Building Industry Association

Mark is very knowledgeable on a policy level about hydromodification, LID incorporation into MS4 permits, and stormwater management as it affects land development, in general.

Alternate: Cliff Moriyama

Cliff is a water quality policy advisor to the California Building Industry Association and serves as a consultant to CBIA.

Murry Wilson, San Luis Obispo County

Environmental Resource Specialist

Alternate: Michael Conger, Planner

Michael and Murry prepared the SLO County grading ordinance revision, including the Stormwater Management Ordinance and the Environmental Impact Report.

Robert Ketley, City of Watsonville

Steve Kahn, City of Santa Maria
